FRENCH LICK

WEST BADEN SPRINGS.

In the highlands of Indiana—a two hours ride from Louisville there flow wonderful healing waters, that you'd spend hundreds of dollars to enjoy if they were in Europe.

A recent visitor from Philadelphia, who formerly went to Carlsbad every year, said: "I do not see why anyone goes to Europe for medicinal waters. The water is as beneficial, and the scenery and surrounding country, the air and the opportunities for recreation are better; the hotels and accommodations are much finer at French Lick-West Baden Springs"—and this gentleman is a native of Switzerland.

The splendidly wooded hills with the cool, invigorating air of these highlands where one can enjoy rambles in the depths of the forest, or rides and drives among the numerous bridle paths and roadways, afford pleasure for those who desire rest and quiet; while at the splendid and casinos one can have all the entertainment and social pleasures possible at the most fashionable resorts

FORD & CO.

Famous Beer.

The famous Windisch-Maulhaeusner Brewing Co., of Cincinnati, has made itself famous the world over for its excellent quality of beers. The use of the 'Pale Lion Export' is no longer considered a luxury, but has been so generally recognized by physicians for its nutritive and health-giving qualities, that it has become a necessity. Those who have never used it to quench their thirst or experienced its exhilarating effects, should give this famous beer a trial, will pronounce it the criterion of all bottled beers.

We invite you to test the merits of our "Genuine Old Lager." It is a veritable boon to convalescents, nursing mothers, nerve elixir, and finally, though by no means least, important as a stimulator of cheerfulness, it is incomparable.

Highest award at the Cotton States and International Exposition and highest award at the Tennessee Centennial Exposition at Nashville.

RECEPTION GOWN OF PRIMROSE GAUZE.

A beautiful reception gown is of primrose gauze, out décollete. A novel bodice trimming consists of graduated bands of black velvet ribbon, which also appears on the elbow sleeves. Shirring

done to deep hip yoke depth, which is now so popular, being especially effective on thin goods, adds much to the beauty is further augmented by the use of Corticelli sewing silk in the shade as the goods. The graduated bands of velvet on the skirt, corresponding with those on the waist. Complete a most charming creation.

OIL NEWS.

A Great Boom In Wayne County.

Never in the history of the oil industry of Kentucky has there been more excitement or greater surprise than the gusher which was brought in Wednesday in Wayne county. This well at a depth of 36 feet struck an oil sand 36 feet thick, and when the drill was removed the oil flowed ten feet above the derrick. Oil men say without any hesitation that this is the best well that has been discovered in the county and opens up a great oil field, resembling more the Pennsylvania oil fields than anything which has yet been discovered in Kentucky.

The leases are selling at \$20 per acre five miles from the well, and great excitement prevails throughout the county. For ten days only the Bell Oil & Gas Co. have decided to sell a limited number of shares at \$5 per share, par value \$10. This company will put down three wells at once within 1,500 feet of this gusher on their lease of 250 acres which adjoins the well. They are as certain to strike oil as it is possible to be under such favorable surroundings.

The company owns over 2,000 acres in Wayne County and has 9,000 acres in other producing counties. The company is composed of some of the leading men in Lexington, Monticello and Michigan. Those desiring a safe investment should act quick, for there is only a limited number of shares for sale and the limit of time is ten days.

For stock and further particulars, address Judge W. R. Cross, Secretary of the Bell Oil & Gas Co., Monticello, Ky. 3t
